## Increased Limits Coverage

### Home Paks

If you have SGI CANADA's Home Pak I, B, II or III, you may be eligible for SGI CANADA's Increased Limits Coverage. Choosing this coverage gives you features not found in our basic policies.

With this option, your belongings, increased living expenses, loss of rental income and mass evacuation costs (your single amount of protection) are automatically insured to one-and-a-half times the amount for which your home is insured.

For example, if your home is insured for \$100,000, then you're covered for up to \$150,000 for your belongings, increased living expenses, loss of rental income and mass evacuation costs.

You also automatically receive \$3 million in personal liability insurance protection. The Increased Limits Coverage also enhances other features of a standard Home Pak to better meet your special needs.

You're eligible for this coverage option if:

- Your single-detached family dwelling meets Home Pak criteria.
- Your dwelling is occupied by its owner.
- Your dwelling qualifies for select rating with Homeowner's Guarantee. Your broker can help you determine if you qualify.
- Your dwelling has an approved heating system. Solid fuel heat sources are not permitted. Fireplaces are acceptable.
- Business use of the premises has received underwriter approval.
